ON THE ROAD To The Title

CENTRAL COAST vs BLACKTOWN

Is quite a crucial game for both sides but more so for the Coasties. Last weeks loss to Leichhardt, after dominating so much of the play, did not go down well with some players and will be keen to turn that around. Paul Roberts and Shane Knight will be backing up from the previous nights rep game against Northern NSW, while Blacktown only has Damon Langan. The Demons are sitting in fourth and look ready pounce if the top three fall. Left it late to beat Macarthur but was reward for a good second half performance with Boudaher's return to form in front of goal is a bonus. Should be a terrific match in front of an expected big crowd.

MACARTHUR vs EASTERN SUBURBS

Eastern Suburbs are on a roll and looking the goods at the moment. Have now won their last three games including wins over the fancied Leichhardt and Blacktown sides and are sitting pretty in second spot. Joe Watson has his side playing confident football but Ryde's late comeback last week will not have impressed the wee-Scot. Macarthur needs a win desperately or they face a mountain to catch the leading five. Are four points adrift and will rue letting two goals against Blacktown past them, with a point looking safe. Macarthur showed good early season form and need to get back there quick. Is time for Eric Williams and Trevor Whiddett to stand up and start scoring goals. On form Easts but wary of a wounded Ram.

SUTHERLAND vs PARRAMATTA

Game has been put back a day due to Parramatta having four players in the Super Select squad playing Northern. However the two key players for them won't be involved in that game - Steve Karavatakis and Gabriel Mendez. These two add significant life to the Eagles and the Sharks defence is sure to be kept busy. To add to the Sharks problems will be the absence of experiencd defender Tony Brandtman - sent off last weekend. He has played sensational so far this season and his absence is a big loss. The Sharks are such a young side, it is hard to see how they can overcome the Eagles, who have four former Sharks lining up against them and keen to win.

CANTERBURY vs ST. GEORGE

The Berries lost top spot for the first time after last weeks loss to Parramatta, but will not have lost any confidence. The Eagles are always hard to beat at home and they did only lose to a late goal in the end. They also grow and extra arm and a leg at Henson Park, rarely losing there. Are still only a point from the lead and well positioned. St. George finally got on the board for the 1998 season after a rather drab 0-0 draw against Bankstown. Was a good effort in coming back from their disastrous effort against the Coasties and will have given them plenty of heart. Will struggle this year but are preparing for the future. The Berries should have too many big guns in this one.

BANKSTOWN vs LEICHHARDT

The Lions will have been extremely disappointed with their performance against St. George. The Saints were ripe for the picking and after coming off a good win against Parramatta were expected to win easily. If they are to figure in the finals they will have to perform better against the lesser lights. Leichhardt though are coming off a win, although not in an overly convincing fashion. Were thoroughly outplayed by the Coasties in the first half and in fairness the 1-0 lead they took into the break was rather fortunate. Buonavoglia continues to shine making it six games on the trot with a goal to his name. Goals are never far away when these two sides meet, so should be entertaining for the crowd.

RYDE CITY vs BONNYRIGG

Unfortunately Ryde's initial year in the Super League has taken a dramatic turn, which has effected morale around the club. Forced off T.G. Millner Field due to its terrible state and no other ground available in the area, Ryde is now playing its games at the opposition's ground. Put up a spirited performance in the second half against Easts when down to 10 men, nearly snatching a draw at the death. If they can keep up this spirit, they will come through the year earning plenty of respect. Bonnyrigg were comfortable winners over Sutherland and are now on top of the table. Bonnyrigg has three players backing up from the rep game but with the game now being played at the Serbian Centre, it is hard to see how Ryde will get a point from this one.

BUONAVOGLIA ALL CLASS

Central Coast coach Allan Bourke paid tribute to Leichhardt Tigers striker John Buonavoglia, after his side went down 2-0 at Lambert Park.

"He is all class" said Bourke. "In the twitch of eye he can kill you and that's what he did to us".

Buonavoglia kept fairly well contained by the Coasties defence in the first hour, raced onto a long clearance which was nodded on and Buonavoglia raced toward goal making no mistake with his clinical finish past veteran keeper Gary Meier.

That made the score 2-0, which basically flattered the home side, who had been outplayed for most of the game till that stage.

For Buonavoglia it was his seventh goal of the season and has kept up his record of scoring in every game so far.

"We were pretty stiff, not to get something out of it but you could sense it was going to be one of those games as it wore on," Bourke added.

Indeed Leichhardt supporters were estactic at their side leading 1-0 at the break, after the Coasties had totally dominated the first half.

The Tigers continually gave away possession to the Coasties players all over the park but the Coasties let them off the hook and were made to pay.

Just before the break, substitute Christian Ortiz played a neat one-two, raced forward before sending Anthony Tesoro into the penalty box on the left. The speedy defender beat his man before crossing low and hard, Meier was unable to hold and Pino Miccolis was on the spot to score an easy goal from close range.

But it was all the Coasties early, with Shane Knight skying a shot over the bar from 10 metres and a minute later Derek Caisley shot into the side-netting with only Flavio Novaro to beat.

Pino Miccolis, Leichhardt's new Italian import, scored his sides first goal on the weekend

Miccolis had the ball in the back of the net soon after but was correctly ruled offside, while Caisley was unlucky in the 16th minute, hitting the far post with his chip shot after great play from Stuart Sontag and Glenn Sprod.

The Coasties continued to pepper the Tigers defence, which was putting itself under pressure with silly passes, Novaro tipping a Paul Roberts shot over the bar and Knight going just wide with a header.

With Leichhardt having taken the lead, Caisley was denied again by Novaro right on half-time with a terrific low-down save.

Meier saved brilliantly from Buonavoglia in the 51st minute but there was absolutely nothing he could do with the little strikers effort in the 61st minute.

As the Coasties searched earnestly for goals, Leichhardt should have wrapped it up with another goal, but Miroslav Nikolic and Daniel Totaro finished poorly with the goals at their mercy.

Leichhardt: Novaro, Popovich, Treharne (Nikolic), Milicevic (Pirecca), Pettenon, Guzzo (Ortiz), Buonavoglia, Tesoro, Totaro, Miccolis, Bazdaric.

Coasties: Meier, Margin, Steele, Beveridge (Demery), Knight, Preston, Byrn, Roberts, Caisley, Sprod, Sontag (Smith).

Bonnyrigg White Eagles moved to the top of the table after a comfortable 3-1 victory over Sutherland Sharks at the Serbian Centre.

The White Eagles simply had too many attacking options for the Sharks defence, who conceded more than one

goal for the first time this season.

A solid first half saw them lead 3-1 at the break and were never really threatened by a 10-men Sharks in the second half - the Eagles Borislav Dragas missing a penalty in the process.

After early promise by the Sharks, it was Bonnyrigg who took the lead midway through the half. A quick counter attack down the left had the Sharks on the back foot and Paul Richardson made no mistake with shot.

Robert Gomez, out-of-sorts early in the season, added the Eagles second and his second in as many weeks with a great strike from 25 metres, to have them well in control.

However in the 42nd minute, Sutherland were back in the game - Grant Bard converting from the penalty spot.

Not to be outdone though, Bonnyrigg swung straight into attack from the kick-off and from a corner kick regained their two-goal lead with Stuart Neilson back-heeling into the goal.

Bonnyrigg could easily have extended their lead in the second half and should have with Dragas missing the penalty - which also resulted in Tony Brandtman's dismissal - but were once again let down by some poor finishing in front of goals.

Bonnyrigg: Kos, Watton (Xuereb), Racker, Dragas, Richardson, Mancino, Harding, Gomez (Hoenselaars), Neilson (Ghisso), Vulic, Dee.

Sutherland: Henderson, Saveski, Harrod (Merralls), Brandtman (R/C), Bideau, Walsh, McLeay, Bard, Blinoff (Borg), Richardson, Morales.

Two late goals by Sarkis Boudaher, gave Blacktown City Demons a 2-0 win over Macarthur Rams at the Gabbie Stadium.

A 0-0 stalemate looked on the cards, despite a good open approach by both sides, when Boudaher bobbed up for his first goals of the season in the 85th and 89th minutes.

The win has kept Blacktown firmly in the top five, while Macarthur has now slipped a little and needs some solid performances in the weeks ahead to catch up.

An improved second performance was well rewarded when Steve Berry crossed from the right and Boudaher hit home from close range.

He made sure of victory in the dying minutes, when Rams keeper John Crawley could not hold Jon Angelucci's hard shot, Boudaher jolly on the spot to head home.

Blacktown: Greco, Cutler, Langan, Angelucci, Berry, Boudaher, Bradley (Faria), Blake (Yates), Smith, Van Egmond (Gordon), Holst.

Mick Daniels scored Easts first goal against Ryde last weekend.

Macarthur: Crawley, Lloyd, Bourke, Reid, Williams, Whiddett, O'Shea (Cummins), O'Connell, Green, Willard, Kerr (Rayner).

Both sides had their chances in the second half but it was left to Karavatakis to snatch a late winner, heading home from close range.

Canterbury Marrickville unbeaten run came to a halt, beaten 3-2 by Parramatta Eagles at Melita Stadium.

Steve Karavatakis once again outlined his intentions this season with a double, his second goal sealing victory in the final ten minutes.

It was the only goal of the second half after a cracker-jack first half which saw them go into the break locked at two apiece.

Parramatta took an early, David Thomas heading home at the far post after a great run and cross by Andrew Dowling.

But the Berries hit back in explosive style with two quick goals. Jose Mendes scored from the penalty spot after a hand-ball in the area and was followed three minutes later when Matthew Percy

pounced on a mistake by Jason Holmes from a corner - heading home into the roof of the net.

Karavatakis evened it up five minutes before the break, with a spectular over head kick after good work by Saso Boskovski and the returning Gabriel Mendez.

Both sides had their chances in the second half but it was left to Karavatakis to snatch a late winner, heading home from close range.

Parramatta: Holmes, Utjesenovic, Reveley, Dowling, Jee, Boskovski, Petrovski (Kinnimont), Thomas, O'Grady, Mendez, Karavatakis.

Canterbury: Tolios, Tsigolis, Shepherd, Mendes, Percy, Joannou (Anagnostopoulos), Hantzis, Jerkovic (Taleski), Fedele, Nikas, Markopoulos.

In a fairly poor display by both sides, St. George Saints and Bankstown City Lions played out a 0-0 at St. George Stadium.

The only positive to come from the game, was that St. George has finally earned it's first point of the season.

Neither side had too many things to gloat about with good chances hard to come by.

St. George: Graskoski, Scotti, Molachino, Doyle, J Pillemer (Macolino), Martinez, (Gibson), Araujo, Lombardo, Radosavljevic, Toombs, Nasser.

Bankstown: Aceski, Hawrysiuk, Badrov, Celik, Luksic, Eagleton, Todoroski, Issa, Stajcic, Adioski, Velevski (Munoz).

Eastern Suburbs scored a comfortable 3-2 victory, despite the closeness of the scoreline, over Ryde City at Wentworth Park.

Easts led 3-0 before Ryde scored two late goals to put just a little scare into the hearts of the Easts supporters.

Mick Daniels gave his side the lead from the penalty spot after 7 minutes, which they took to the break. Ryde's chances of recovery were not helped just before the interval with Richard Miranda receiving his marching orders for a second yellow card.

Two goals after the break from Yavos Ekinci and Jason Bennett had Easts well in control but goals to John Koch (89th minute) and Tim Stratford (94) gave the scoreline more respectability for Ryde and reward for a fighting effort.

The win pushes Easts into second spot on the ladder.

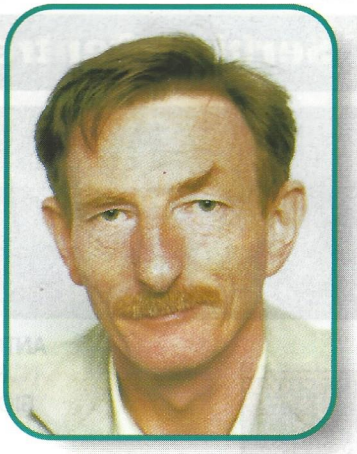
PAUL GOODWIN REPORTS



MOOREBANK CONTINUES WINNING RUN

Having lost three matches due to either pitch problems or floodlight failure Moorebank were keen to get more points on the board when they travelled south on Saturday night to play Illawarra Lions at Ian McLellan Park at Kembla Grange.

It is slowly dawning on neutral observers that this newly promoted side has not lost a game since the fourth round and has not conceded a goal in the process either.

Their latest triumph was a 3-0 defeat of the Lions who failed to live up to their form of recent weeks when they were playing good football without achieving the results.

On this occasion their coach, Ljube Jancev, was unable to offer any excuses as his team simply failed to deliver.

If the truth be known, their lack of success in this game probably owed more to the well marshalled defence of Moorebank than any individual failure by the Lions' players.

Anthony Versi opened the account for the visitors when he swooped on a Peter Moon cross ten yards out after making a well timed, diagonal run into the box.

Moon, the skipper, was injured later, but with Stuart Key now installed as sweeper these days alongside the solid Anthony Driene, the Moorebank side had few worries despite a period of heavy pressure midway through the second half.

With the teams still separated by a single goal late in the game Lions' supporters were hoping for better when Moorebank keeper Graeme White could only parry a fierce shot from Valentin Tasevski and the late arriving Matthew Borg found a gaping net confronting him.

Borg, instead, managed to offer the shot straight at the keeper who gratefully collared the ball, thus preserving the clean sheet the team had enjoyed since White's understudy, Kyle Scott, took over a month ago. Absent on this occasion, Scott may have to fight for the spot once more, though White really only had one save to make, such was the dominance of the visitors' defence.

Moorebank took charge in the last ten minutes and faced the keeper three

times without success, but did score two more as first Martin Driene and then Versi, again, found the net.

The club has lost three senior players recently, releasing Pablo Gomez, Robert Munoz and Alberto Molina, but this has given the likes of Will Croker and Daniel Beverley opportunities and they have shown up well.

Illawarra thought so little of their Saturday night out at the soccer that they are planning to move their next game against Stanmore to Sunday afternoon, instead, this weekend.

Sunday's games produced some real upsets, none more so than struggling Belmore's 2-1 win at Hurstville Oval against the Minotaurs.

Belmore are due to get some assistance with players from Sydney Olympic, but may already have received the best help they need from that source.

Newcomer Richard Thomas has starred in both his appearances at sweeper for his new club having been recommended by the Ericsson Cup giants after arriving from Bristol, in England, two months ago.

The Minotaurs included last year's top scorer and medal winner, Louis Dounis, in the starting line up and the game was only ten minutes old when Dounis came down in the penalty area and the home side won a disputed penalty.

George Zabetakis converted from the spot, but two second half goals wiped the smiles from the faces of the home side's supporters as Belmore showed that they were more than a match for the current premiers.

George Solidakis crossed for Angelo Petratos to head past Stacey Alogdellis in the 62nd minute and Minotaurs then had a fight on their hands.

Substitute John Pelekanos put a through ball in behind the defence for Nick Migliaccio to run onto before sliding a shot under the body of the keeper, for an 85th minute winner.

It was a great team effort by Belmore and featured another top class performance in goal by Ricky Oppedisano and excellent showings from Samer Nicola and the other youngsters in the side.

Auburn managed a shock 3-2 win at Rockdale, leading early through Nabil Codmani in the 6th and then countering, after Aleks Chumkowski had netted in the 45th, through Codmani again.

When Spase Najdoski equalised a second time, in the 84th, it was left to the diminutive Murat Kuru to score the winner in the 86th for a result which defies all logic after Auburn had been thrashed 5-0 at home by Stanmore, six days earlier.

Mount Pritchard found visiting Bathurst well up to the mark in losing 5-2 to the country side.

Paul Clancy was first to find the target in the 19th before quick fire goals by Gavin Thomas and Mark Rooke in the 18th and 22nd helped the visitors to a 3-0 lead inside the first quarter.

Greg Baldock replied twice for Mounties, but further goals by Kerry Johns in the 59th and Clancy in the

71st made it a big win by the Blues.

Manly Warringah took an hour to find a goal to cancel out Allan Picken's 3rd minute strike for Penrith Panthers at Cromer Park,

Picken's header at the far post, after a long ball in from the left, was too good for Dolphins' keeper Marin Passalich.

Danny Townsend showed plenty of pace in setting up chances for Tony Krslovic as well as himself, but the shots were not on target and on one occasion appeals also for a penalty fell on unsympathetic ears.

Manly got the deserved leveller when Damien Rosenthal made a good run in the 62nd which ended with a cool finish as Mike Gibson came out in vain to effect a save.

It was a game of few chances and one where defences were generally on top.

Stanmore defeated the Fairfield Bulls 3-2 at Arlington Oval, aided by an own goal midway through the second half after Chris Sciberras had cut the ball back from the byline.

Darren Iocca had given Fairfield a 4th minute lead only to see Nick Bolianitis equalise after Eddie Briscoe had done the spade work out on the left in the 10th minute.

Bolianitis then scored again 7 minutes later, before Ricky Giometti netted for the Fairfield team.

This was the game to hold the most interest, but the crowd was down due to the Greek Easter celebrations and the large Fairfield contingent were unable to urge their side on to their third win away from home as Eddie Briscoe's team stole their thunder.

Hills United and AC United shared the stage at Fred Caterson Reserve where a 2-2 draw was achieved in a game which for long periods was error riddled and unattractive to watch.

For long periods passes were too quickly cut out and neither side looked like doing much damage, but the pattern changed as a result of a penalty awarded to Hills in the 57th minute.

Peter Vezos was bundled over in the area by Vladan Radic and scored from the spot himself to breathe life into a game which was deteriorating.

There had been only a few chances to that point, the best being Adam Hagger's when robbed on the 6 yard line by a defender after waltzing into the area with the goal looming.

Andrew Bow also volleyed just over the bar at the end of the first half and then Darren Moss had a dipping shot tipped over the bar by the agile Andres Ferraro in the 78th.

Hills extended their lead to two in the 81st when Alan Lindley swept the ball home after Peter Vezos had flick-headed on a long throw from the left by Steve Sweeney.

AC United then took advantage of

some slack marking to score twice inside a minute at the 86 minute mark and catch Hills completely off guard.

Sal Zullo managed to win two firm tackles just outside the area and then had a fierce shot parried by Shane Woods, Zia Younan, following up, drove the ball in from the left at the far post.

Some intelligent probing by player-coach and late substitute Osvaldo El Ali led to the second AC United goal.

After smooth approach work El Ali threaded the ball through for Sergio Battista to go on and slip the ball under the keeper.

Bruno Beddoni carried the attack alone for long periods and did much solid work, but the AC cause was not aided by a send off for Marcello Ortiz in the 62nd minute, for a late tackle.

Bow had another effort charged down as Hills looked like regaining the lead on several occasions, before the final whistle blew..

ROUND ELEVEN PREVIEW

The title race is still wide open going into Round Eleven, but a number of catch up games are yet to be played. Midweek saw Moorebank Sports tackle Hills United at Hammondville Park and the home side's rescheduled game with Manly Warringah will also have a strong bearing on the top five as the Dolphins are only a win away from the play-off spots, with that game in hand.

All of the current top five sides have one game in hand and this weekend could see more boil-overs in a very topsy-turvy season to date.

Fairfield are well placed to return to winning form at Nineveh Field where they have a 100 per cent record so far and the visit of Rockdale should not concern them unduly as the Suns are having a poor run at the moment.

The team which beat them last weekend, Stanmore, plays Illawarra Lions, a side determined to atone for some costly defeats of late. The Lions are quick and skilful, but the Hawks are a promising young side, with a good blend of experience and excellent cohesion.

Upsets have been common this year, but this is a game the Stanmore side should not lose.

The Minotaurs will be looking for a big win at AC United to restore their premiership claims and will meet stubborn resistance at Abruzzi Oval. Much depends on the match fitness of Louis Dounis and Jason Lal who could make AC pay for some recent losses if they fire this time.

Moorebank will attempt to win a third game inside eight days - if they can beat Hills in the midweek encounter - when they face Penrith Panthers at Hammondville. Penrith are mean defenders, as are Moorebank, so a low scoring draw is in prospect here.

Bathurst are beginning to show signs that they may again be serious contenders this year after some solid results. Sunday's game against Hills should bring them a home point at least and maybe three if the new look attack can click at Alex Lamberton Park.

Belmore might be unable to cope with the speed of Manly-Warringah on the wide open spaces of Blick Oval and much interest will focus on their new-look central defensive partnership. Manly are unbeaten since a narrow loss at Fairfield's Nineveh Field and Tony Pezzano is sure to let his charges know not to take Belmore too lightly after their huge win last weekend.

Auburn are back at Mona Park where the plucky Mount Pritchard are the visitors. So erratic are Auburn that a Mounties win is not out of the question, but this is not a game which appeals as strongly as the others and the bottom dogs may have more to offer than the home side which has yet to win in front of their own supporters this season.

The Super Soccer Supplement

AN M.D.S.F.A. PUBLICATION *Edited by Barry Davis* Issue No. 1, 23 April, 1998

WELCOME TO RAMS NEWS 98!

Our aim in this publication is to provide you with the most up-to-date information from your Association and from all the local clubs on a weekly basis, for at least the four week trial period and hopefully for the entire season.

As you will by now realise, this publication is a supplement to the widely acclaimed SUPER SOCCER magazine, the official magazine of the NSW Soccer Federation. SUPER SOCCER is an excellent read in its own right, covering the Super League in detail as well as the NSW First and Second Divisions and the full Youth League, complete with tables for every competition conducted by the NSW Soccer Federation.

Rams News 98 will gather information from each and every local club and publish it here in your magazine. There will also be weekly points tables for the local competition as well as news about the Rams Super League teams and our Super Youth League, Junior League and Women's Representative Squads. We will provide information about Coaching Courses and Coaching Updates and reports on our Coaching Development work, all of which will affect your club in one way or another.

Rams News 98 provides your club with a unique opportunity to spread their message throughout the entire local soccer community- there are 1,000 copies divided among the clubs each week. The space provided for your club depends on the amount of information they provide for us and best of all, it is FREE of charge. Some clubs will use the space for match or team reports and others will use it to promote various club activities. Some will want to advertise their sponsors and others will provide profile outstanding players, members or administrators. It really doesn't matter what your club wants to use their space to publicise, this publication will provide the space for them to do so and that is something the local press can't or won't do.

Rams News 98 will be available from your Club Canteen every week so you can be informed of all the events within your club and within the Association. It will NOT be available through newsagents. Only clubs which are members of the Macarthur District Soccer Football Association will have copies of Super Soccer with the Rams News 98 supplement.

Rams News 98 will continue beyond the trial period of four weeks only if you want it to. Your support of the concept and your positive feedback to your club will determine the future of this publication. If you like it, tell your club. If you think it should continue, tell your club. If you feel that it fills a vital service to the game in the Macarthur region, tell your club. If you can think of ways to improve the magazine, tell your club. The future is in your hands.

Rams News 98 wishes all players, coaches, managers, club officials, parents, supporters and referees a very good season. We hope that whether you win, lose or draw, you enjoy your 1998 season of soccer.

FROM THE CHAIRMAN

Jeff Duggan

Welcome to what we hope will be a great season of soccer. As you may be aware, a lot of changes have occurred since the end of last season, both on and off the field of play.

The main on-field changes have been the new rules to make the game faster and the re-introduction of Picton Rangers Soccer Club. The off-field changes include the following:

1. The election of five new Board members:- Jeff Duggan (Chairman), John Hains (Properties Manager), Karl Knopp (Marketing and Sales Director), Trevor Christie (Local Competition Manager) and Bruce Maloney (Senior Representative Teams Manager). I would like to thank out-going Board Members Terry Ardouin, Col Smith, David Ahern, Lionel White and Steve Cannon for their outstanding contributions to the Association over the years.
2. The re-vamp of the Premier League. The Board has taken the bold step of restructuring the Premier League to enable the transition of the younger players into the area's top competition. The competition will be sponsored by Sportscene Campbelltown.
3. The U/10 Development Squad. This year the Development Squad will be selected from the Sportscene Cup participants. All U/10 teams in the Association will be entered thus giving everyone in that age group a chance to be in the 40 player strong squad.
4. Coaching Accreditation. The Board has endorsed the recommendation of Association Development Coach Barry Davis that ALL coaches must be accredited by 30th June. This will mean that a minimum of a Level One will be needed to coach. It is important to provide the kids with decent coaching which also meets the demands of the insurance company.
5. Macarthur Rams. As you may have read in the newspapers, our First Grade side has a lot of new faces. Coach Casey De Bruin has brought to Macarthur some of the finest players in the Super League and judging by the increase in the size of the crowds, they have already been welcomed to the fold. If you haven't been to a Rams game this year, please come along with the family for a great day/night out.
6. Womens Soccer. The Board have really gone all out to promote Womens Soccer this year. Barry Davis has put together a development programme which has already been implemented, whilst Coach Peter Davies and Rob Laws are working very hard to ensure that Womens Soccer gains maximum exposure throughout Macarthur.
7. Academy Squads - U/11 & U/12. This year 38 boys have joined our Academy Squads. These players were selected from those who missed selection in the Rep teams. Over Easter the 11s went to Goulbourn for a tournament and were very successful, finishing Runners-up. The 12s went to Bega and although the scores didn't go in our favour, the boys benefited greatly from the experience.

As you can see. the "off-season" is a very busy period for us. With all these development programmes under way it is very important for us to encourage the kids to play at the highest possible level. The Macarthur Association is now producing players of the highest calibre with former Rams such as Brett Emerton (Australia, Olyroos, UTS Olympic),

Tynan Scope (Coventry City) and Shane Cansdell-Sherriff (Joeys< NSW Institute of Sport) leading the way for our kids.

Finally, I would like to thank every volunteer from every club for the work they put in to provide the kids with a game of soccer each week.

Rams Junior League and Youth League Report

by Gary Cremming

The Macarthur Rams U/11s and U/12s Junior League teams commenced their competition on Sunday April 5th following trials played each weekend since February.

Our first match was against Central Coast and the 11s were up against opponents which had soundly beaten them in trials. However. the boys played great football to overcome an early 0-1 deficit to record a well deserved 2-1 victory and bring a smile to the face of coach Brian "Geezer" Summers. Our 12s started in sensational style to go in at half-time 2-0 up. Unfortunately, the wheels fell off a little bit in the second half and the boys let the Coasties steal the match 3-2.

Our Super Youth League teams have now played four rounds and the points have been hard to come by at this early stage of the season. Unfortunately, a tough draw has meant we have played three of the top clubs so things should get better from here on in.

Our cause hasn't been helped by coaching changes which have seen 13s coach John Kernahan resign due to work commitments and 14s coach Roy Swift also resigning. Fortunately, we have two excellent replacements in senior Rams players Scott Houghton (13s) and Tony Judge (14s). Our 15s and 16s are both experiencing horror injury runs but hopefully we will recover from this early setback and have a successful season.

Camden Tigers Soccer Club

STATE LEAGUE SUCCESS

Camden Tigers have had great success in the early round of our first year in the State League 3rd Division. Firstly, we knocked over the much fancied Maroubra side with a hard fought 3-2 victory in our opening match of the season with Chris Landsdowne scoring two fine goals and another from "Man-of-the-match" SamReid. Then, against Hawkesbury, the boys showed a lot of courage to come back from 2-1 down to win 3-2 with goals from Greg Dickinson, Chris Landsdowne and "Mr Consistency" Sam Reid. Goalkeeper Jamie Penman had another fine game. The Tigers remained undefeated after a 1-1 draw against Sydney University. The boys had to battle hard throughout the match and were unlucky not to have claimed the victory as Uni only equalised inside the last 10 minutes after Greg Dickinson had given us the lead following some great lead-up work by Ray Gallaway.

Ruse SOCCER CLUB

Ruse Soccer Club was founded in 1980 and were originally allocated Hurley Park as our home ground. By 1987 we had grown to 10 junior teams and we moved to our present home ground, Coronation Park.

In 1993 we were fortunate to gain the sponsorship of Macarthur Engineering. By 1994 we had 270 players in 22 teams and we began to lobby Campbelltown Council because we had outgrown the space available at Coronation Park. The Club now has 9 life members and we produce a weekly newsletter for our players.

Macarthur Engineering Pty Ltd was established in 1979 and they are involved in Project Management, Precision Installation and Programme Maintenance. The company has contractual agreements with an Australian paper manufacturing company and has been involved in major plant installations in NSW, Victoria, Queensland, Thailand and the USA.

Narellan Rangers Soccer Club

New Club Coach

Narellan Rangers caters for over 350 members, after expansion over a number of years. In 1997 we expanded to the use of two separate grounds to cater for our increased team numbers and we carried out extensive work on our Clubhouse.

We are committed to the development and promotion of our players and in an extra effort to continue these objectives, we have appointed former State League player Barry Young who has had a distinguished playing and coaching career over many years. Included in his plans for this year are special coaching clinics for the children with guest NSL players to pass on tips to the children. He feels that by working together at the grass roots level to promote our game, soccer will one day gain the recognition in Australia it deserves.

We welcome Barry to Narellan Rangers Soccer Club and we are looking forward to a successful future.

CAMPBELLTOWN Southern Districts Soccer Club

PREMIER LEAGUE 1998

Campbelltown Southern Districts has been the most successful team in the Macarthur Premier League over the past 5 years with 3 Premierships and 2 Runners-up to their credit.

The team, over the years, has been stable with little player movement. However, that has changed this season with only two of last year's regular 1st grade players remaining. Coach John Seeney has been forced to rebuild the team almost from scratch. In recent weeks the club has signed Craig Harris, Gavin Bramann and Jason Coman from Picton, former Ram Paul Maher, Jason Allen from Sydney United and Barry Graham from Liverpool. Former stalwarts Brad Craig and Todd O'Keefe have been coaxed out of retirement and the rest of the squad is made up of last year's successful Reserve Grade side. It will take a few weeks for the team to find the right combination but the players are confident that they can emulate the achievements of past CSD teams and they are looking forward to the challenge.

The club would like to thank Sportscene Campbelltown for sponsoring the new look 10 team Premier League and we hope the sponsorship will go on for many years.

Campbelltown PYC Soccer Club

This is a brief history of arguably the finest team to represent the Campbelltown Police Youth Soccer Club in the Macarthur District Soccer Football Association.

From 1988 as U/9s to 1991 as U/12s this team went through the local competition undefeated, scoring 453 goals and conceding only 5. Coached in 1988 and 1989 by Gary Watkins and in 1990 and 1991 by Alan Newall, the team were great ambassadors for the club and the Macarthur Association. The crowning glory came in 1989 and 1990, winning the Champion of Champions. The team, over the four years, was represented by the fol-

A truly great effort by a great bunch of kids.

Appin United Soccer Club

This year our club is fielding nine teams in the Macarthur District competion, having over eighty registered players. We have teams in the followig grades: U/6 , U/7 Red, U/7 Blue, U/8 Red, U/8 Blue, U/9, U/11, U/14 and Over 35s.

WOMEN'S SOCCER ON THE MOVE

by Rob Laws

The 1998 season has seen a tremendous surge in Macarthur for the womens game.....and we are still on a roll!

In a matter of months we have started from a low point when we did not gain entry into the WSL competition for one reason or another, and we realised this disappointment was all we needed to revolutionise the administration of womens soccer in our area. Our first turnaround event was the appoitment of Peter Davies as Head Coach of the Womens Soccer programme and considering entering one team in the Soccer nsw Inetr Zone competition. The response to our marketing campaign was fantastic and resulted in an U/16 team being entered in addition to a First Grade side.....another first for Macarthur Rams.

With these two teams now well advanced with their trainig, the Womens Soccer Committee saw the need to immediately continue a development programme and the rsult is the formation of an U/14 Girls Socer Academy starting on 4th May, 1998 with places for twety girls who show promise as being future representative players for Macarthur.

Aother innovation already in place is a ten team competition for U/12 girls playing seven-a-side modified rules. The concept was embraced by Primary Schools especially and we are proud to have a number of them on board and preparing to play in this Monday night competition scheduled to kick-off on 4th May.

On the local front a lot has happened in a short period of time and for 1998 Macarthur will stage the competition within our boundaries instead of the previous Zone 4 competition with Southern Districts. Our Clubs believe this is the best way to develop and promote womens soccer. The decision has paid off to date as the competitions will comprise two divisions of All Age togther with and U/16 and U/14 competition. This format has the full support of the Womens Soccer Committee and will allow for future promotion and development of the game from youth level to senior representative statud.

We believe a lot of work, planning and results have already been achieved in a short time and much more is planned for the remainder of 1998 and well into the future. Stay tuned for more news over the next few issues of Rams News.

U/10

Sportscene Cup

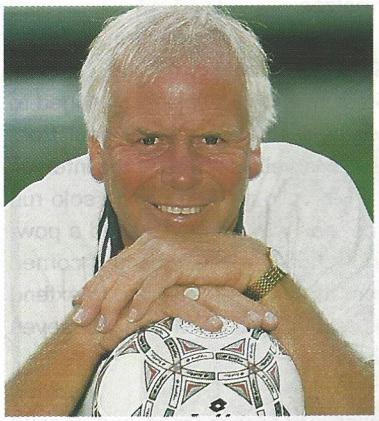
Sunday, May 3rd is the date chosen to hold the U/10 Sportscene Cup this season, an important event in the Macarthur Distric soccer Calender because it is at this tournament that the players are selected to form the U/10 Development squad for the season.

On this date all U/10 teams will compete in the preliminary rounds of the Sportscene Cup, playing a minimum of four matches on a round-robin basis before progressing the the Quarter finals, Semi Finals and Final, all of which will be played as curtain raisers for the Rams Super League matches at Lynwood Park.

The draw for this competition has been compiled in such a way that teams will only play against teams from within their own division and in some cases oly one division higher or lower. This will mean that every team will have a fair and equal chance of progressing the the knockout rounds.

Throughout the day a panel of Macarthur Rams staff coaches, headed by Association Development Coach Barry Davis, watch the matches and select forty players to form the Rams U/10 development squad. The selected players will receive ten weeks FREE skills coaching at Lynwood Park on Friday nights and they will provide a skills demonstration for the crowd at one of the Rams Super League home games later in the Season.

A Profile of the Rams Senior Coaching Panel



Head Coach
Casey De Bruin

Rams new Head Coach, Casey De Bruin had a long and notable career as a player before turning his hand to coaching, a task at which he has served the game with equal distinction. He is a Level Four Accredited coach who has coached at both National Soccer League and State League levels with significant success. He is a Senior Staff Coach for Soccer Australia and he has conducted innumerable Level and Level Three Coaching Courses. In fact, he is widely accepted as being the best instructor of coaches in the country.

Since his appointment with the Rams in October last year Casey has been very busy indeed. He began by rebuilding the first grade squad with some of the best players available and then he appointed all the coaching staff from the U/11s upward. He has also established an apprenticeship scheme under which four promising young players are required to do a lot of extra work to ensure their on-going development and, if the measure up to the very demanding standards set for them, they will be offered contracts with the Club at the end of the season.

Casey's job with the Rams is to coach the Rams First Grade squad and to oversee the coaching of all players within the representative teams. His stated aim is to build upon the existing foundations - which he regarded as being very good - and to raise the profile of the Club to both the soccer and wider communities through good results and the development of local players.

Senior Youth League Coach Trevor Morgan

Trevor Morgan was appointed Senior Youth League coach in October last year and he comes to the club with an impressive list of credentials and experience.

He is a former Youth League and State League player with a degree in Physical Education, a Level Three Coaching Accreditation and an English F A Preliminary Coaching Award. He is a qualified school teacher and an accredited Coerver Coaching Instructor.

He has worked with the NSW Elite Player Development Programme and the Talented Athlete Programme and he was the 1996 U/14 State Coach. He was also the Head Coach of the Zone 4 programme and he is currently the Head Coach (Soccer) at Westfields Sports High School.

Trevor is responsible for overseeing the coaching of our Super Youth League squads and also for coaching the Rams U/21s.

Association Development Coach Barry Davis

Barry gained his first coaching accreditation at the age of fourteen and he has coached at various levels of the game in the thirty-one years since then. Whilst he has worked with senior teams, he has specialised in the development of junior coaches and players.

A Level Three Accredited Coach, Barry joined the Rams in October, 1993 and he has established the very successful School Holiday Coaching Camps and the Rams Academy Squads for U/11 and U/12 players.

He has also expanded the U/10 Development Squad Programme and he conducts the Level One Coaching Courses within the District as well as monthly coaching updates for local coaches.

He is responsible for overseeing the coaching of the Junior League squads and the Womens Representative Squads.

RAMS ACADEMY SQUADS

Over the Easter weekend the Rams Academy Squads were involved in tournaments which saw the U/11s travel to Goulbourn and the U/12 journey to Bega.

Both tournaments were very successful for the Rams but not in the usual sense of the word. We use these tournaments to provide some match practice for the players and as part of our on-going player assessment scheme. This allows us to accurately measure the improvement shown by each of the players and so adjust the coaching programme to suit the current needs of the players.

Coaches Mark Edgar, John Cabral, Warwick O'Brien, Steve Bowers and Frank Muscat deserve a very healthy pat on the back for the work they have already put into these squads because the improvement has already been identified.

Throughout the season the Squads will play in selected tournaments and against selected opponents to continually check on their progress.

COMPULSORY LEVEL ONE ACCREDITATION

Did you know that it is compulsory for every coach within the Macarthur District to possess a minimum of a Level One Coaching Accreditation? Or that Clubs will be fined for every coach who has not complied with this rule?

It is True! There is no reason why every coach in the district should be unqualified. There are a large number of Courses conducted every season and since there are no examinations or tests, there is no reason to fear failure. Surely it is not too much to ask of coaches for them to attend fourteen hours of instruction which just might help them to better coach their players. Some people think that they can do without it and many of those have been surprise when they attended Courses to find that they did have something to learn after all.

Former NSW Director of Coaching David Lee asked once if you learn to drive if you knew the instructor was not qualified or whether you would let your children learn to swim if the instruction came from an unqualified person. Think about it. There is no time like the present to act to rectify the situation if you have not yet gained your coaching Accreditation.

2nd DIVISION

ROUND SEVEN

The three Saturday games brought little joy for visiting clubs on the Greek Easter weekend which saw Alexander Warriors produce a fairly ordinary performance at Marrickville Oval despite taking away three valuable points against a very mobile University of NSW outfit.

With Uni failing to take their first half chances and then losing Guy Volpicella to a red card for a second caution before the break, the door was open for the Warriors to steal the points. The students were in full cry early on and carried on the good work well into the second half, but when a good build up on the left in the 80th minute, involving substitute Harry Kouklidis, produced a goal for Georgio Manuli, Alexander were on their way.

A long range shot from Manuel Sarikakis sealed the issue five minutes later.

Dulwich Hill found Parramatta City a tough opponent at Arlington Oval and were in some danger in the first half as Angelo Vasiliou went close to scoring in from one-on-one in the 13th and top scorer Terry Lakos just cleared the bar in the 21st.

John Sherry began a run from half way for the Hill men in the 41st which sent Zlatko Momircevski on his path to goal and from the resultant low shot across the face of goal, Alex dos Santos was able to effect a simple tap-in at the far post.

Victor Rebelo had also hit the upright in the 6th minute, after a ball cut back from dos Santos, who was playing his first full game for his new team.

It was from another Sherry run and pass on the left that dos Santos was able to make it two in the 72nd with a clever shot from 15 yards out which cleared out the cobwebs in the top right corner of the net.

The seemingly inevitable hat trick came in the 84th as Paul Alves made a great run to the right byline and cut the ball back for the Brazilian to volley home perfectly from 6 yards.

Seven out of seven now for Dennis Duarte's men, but the coach looked anxious for a while, before the second goal arrived, as Parramatta City were a lively lot and made a game of it.

Hurstville ZSC had some luck in coming back from two down at the break to level 2-2 against Liverpool who almost won it at the end, but for a superb save by Tom Miletic.

An Ivan Pavelic penalty after an earlier strike by Stipe Milicevic proved enough to salvage a point in a game which was played at a cracking pace throughout.

Liverpool were unlucky to hit the woodwork twice, Brett Smyth and Chris Rasmus being the men denied, with the keeper claiming the ball on one occasion right on the line.

On Sunday Gladesville had a tough one against Greystanes at Westminster Park and went down 2-1, goals from Scott Cumming and Andrew Cauchi in the 36th and 37th minutes respectively wiping out an 18th minute strike by Arthur Prentzas. .

Hajduk Wanderers faced Arncliffe Scots at the Hajduk Stadium and surprisingly managed to win by just one, solitary goal from Nino Marvello soon after the interval.

Marvello made a strong solo run from half way and unleashed a powerful shot into the top right corner, from the edge of the area, to extend his side's unbeaten run to seven games.

Sydney District tackled improvers Mount Druitt and despite playing some good football in the midfield, where Carlos Donoso and Alex Aravena held sway, it was a game of missed chances, with only one goal settling the issue.

Geoff Chew latched onto a cross from Paul Graham in the 10th minute and hit a smart volley past the District keeper for the 1-0 win.

Super Youth League

Newcastle Breakers are the current leaders of the Super Youth League Club Championship and they must find that very pleasing but the situation is a false one because they have now played eight competition rounds for their fifty points, whereas Sydney Olympic have played only five rounds to trail them by a mere three points. Southern Districts are a further four points back after their si rounds with Blacktown City, Parramatta Eagles and Gladesville Hornsby hot on their heels.

There were some very interesting results in Super Youth League last weekend as each of the age group competitions begins to take shape.

When Parramatta Eagles met Blacktown City at Melita Stadium the clubs had to be content to share the points. The Eagles 13s recorded their third win of the season , this time by the narrow margin of 1-0 but the Demons got square by the same score-line in the 14s to maintain their perfect record and continue to lead the competition. Blacktown leap-frogged over Parramatta into second spot in the 15s with a 4-1 win and then the reliable Eagles 16s posted their fifth win to maintain their lead of the competition.

Sydney Olympic finally played a home match at their new headquarters at Potts Park and earned seven points for themselves in the process. Olympic's 13s, who have yet to drop a point, continued their winning ways with a surprisingly narrow 1-0 win over Marconi while the 14s continued to apply pressure to the top of the table with a 4-0 win over the visitors. In the 15s Marconi held the home side to a 0-0 draw and then Marconi knocked over Olympic's 16s 5-1.

Manly Warringah could only manage to earn three points at home when they met the improving Sutherland Shire. Manly's 13s lost for only the second time this season when they went down 1-0 to the consistently well-performed Sutherland. The same scoreline was in evidence as Sutherland overcame the foot of the table Manly in the 14s. Manly finally found some scoring touch in the 15s as they rolled Sutherland 3-1 but the visitors gained nine points for the day when their 16s got up 3-0.

A late change of venue from Blick Oval to Little Bay Oval did not do Eastern Suburbs much good as they gained only three points from the visiting Newcastle Breakers. Easts did cause their Breakers counterparts to suffer their third defeat on the trot when the score-line was 3-1 at the final whistle. However, the Novocastrians bounced back to win the 14s 2-1. They then went on with the job with a 6-0 win in the 15s and a 1-0 win in the 16s.

Southern Districts did very well indeed in their clash with Wollongong City at Marconi, gathering all twelve points in the process. Districts continued their recent success in the 13s with a 2-1 win and the unbeaten 14s continued their good form with a solid 6-0 win. Their 15s appear to have turned the corner with their second consecutive win, this time 5-0. Districts continued to deny the Wolves goals with a 3-0 win in the 16s.

Gladesville continue to do well at Christie Park, this time gaining seven points from their games against Sydney United. Their 2-1 win in the 13s was perhaps predictable but the score was closer than many would have thought. Gladesville are showing some improvement in the 14s and their 5-2 win confirms this whereas United appear to be going through a bit of a slump. The visitors gained their first points for the day with a hard fought 1-1 draw in the 15s and then went on to win the 16s 3-2 in a cliffhanger.

when they journeyed to Lambert Park for matches against Leichhardt Tigers. The clubs gained five points each from the encounter. The Rams won the opening match of the day 1-0 thanks to a Peter Walker converted penalty and then the 14s shared the spoils with a 1-1 draw in a very tough clash. The Tigers took full advantage of their opportunities, including two penalties, to maul the Rams 10-0 in the 15s and then the 16s battled out a very entertaining 1-1 draw.

DIVISION ONE YOUTH LEAGUE

Central Coast continue to lead the way but it is worth remembering that they have played nine rounds whereas second-placed AC United have played seven rounds while the next two, St George and Southern Branch, have played only si rounds. There are only eighteen points between first and fourth places so the competition is, in reality, fairly tight.

The Coasties reaped nine points from their games against Rockdale City Suns at Pluim Park on Saturday. The three points gained by the Coasties in the 13s continues their unbeaten run at home. This time the score was 4-0. The Lisarow-based club went on with the job in the 14s with a 3-1 win over the Suns. However, Rockdale's 15s posted their first win of the season when the final whistle found them to be 1-0 in front. Central Coast bounced back with a 3-1 win and they now lead that competition by seven points.

Illawarra Lions visited Penrith Panthers at Weir Reserve and took home a meager three points for their day's toil. Penrith began well with a 2-0 win I the 13s and proceeded to make it two from two with a 1-0 win in the 14s. The Lions' saving grace came in the 15s with a comfortable 5-1 win but the home side had the final say with a 4-1 win in the 16s.

St George are now in third place overall as a result of their twelve point haul against Bonnyrigg White Eagles at St George Stadium. The Saints 13s have been a tad inconsistent at home this season but they did well enough this time to roll the White Eagles 2-0. The 14s continued their unbeaten home run with a solid 4-0 win while the 15s won by an equally comfortable four goal margin, this time 5-1. Saints' 16s continued the rout with a 2-1 win.

Ryde City went on with their efforts to consolidate a place in this competition when they grabbed nine points from the better performed Bankstown Association at Neville Reserve. Bankstown's 13s have still not won at home as Ryde knocked them off 3-1. The same applies to Bankstown's 14s who have managed only two draws at home but they lost this one 2-1. Amazingly, Bankstown's 15s also have difficulty in winning at home and that trend continued as they lost 1-0 to Ryde. However, Bankstown's 16s continued their unbeaten run with a 1-0 win to post the home club's first point for the day.

Blacktown Association struggled against the well-performed Southern Branch at Francis Park, earning only three points from the four matches. Southern's 13s began the day well for the visitors with a 3-0 win and then the 14s went on with it, recording a 2-0 victory. Blacktown made some amends in the 15s with a 1-0 win thanks to a goal from e-Hawkesbury player Mitchell Fraser but Southern had the final word with a 2-1 win in the 16s.

Despite being in overall second place, AC United surprisingly struggled against lowly placed CSI Schofields at Abruzzi Oval. The well placed AC 13s lost for the first time at home - 4-1 - against a CSI side which had never won an away match. It was a complete form reversal in the 14s when bottom placed CSI rolled top placed AC in the "shock of the round". AC came good with a 3-2 win in the 15s but then lost the 16s 6-1 in another boilover.

Nepean Association continue to flounder at the foot of the table and their cause was not helped when they gained a mere three points from their home matches against Canterbury Association. Nepean lost the 13s 4-1 and then Canterbury continued their good form on the day with a 2-1 win in the 14s. Nepean made some inroads with a 2-1 win in the 15s but then promptly lost the 16s 6-1.

League resumed with a full round of matches. Hills United continue to show the way, closely followed by Mt Pritchard and Stanmore Hawks.

Mt Pritchard had a good day against Parramatta City, picking up ten points at Cook Park. The Mounties' 13s got the club off to a good start with a nice 3-0 win and they followed this up with a very comfortable 6-1 win in the 14s. The 15s ended in a fairly predictable 1-1 draw but then the Mounties resumed their winning ways in the 16s, scoring a solitary goal without reply.

Mt Druitt Town Rangers had some good success when they travelled to Pratten Park to take on Stanmore Hawks. Rangers recorded a 3-2 win in the 13s to make that competition even tighter and then Rangers won the 14s 2-1 and gained third place as a result. Second-placed Stanmore won the 15s 2-0 but in the 16s the Rangers prevailed to win 2-1.

Hajduk Wanderers grabbed seven points from visiting Ku-Ring-Gai with two wins and a draw. Ku-Ring-Gai opened up well enough with a 2-0 win in the 13s but then the Wanderers earned a point with a hard-fought 1-1 draw in the 14s. Wanderers did well in the 15s with a 3-0 victory and then they won by the odd goal in seven in a very interesting encounter in the 16s.

Granville Association shared the points with the visiting Hawkesbury City at Rydalmere Park as both outfits do their best to get away from the bottom of the table. The 13s fought out a goal-less draw and then Hawkesbury gained the upper hand with a 2-1 win in the 14s. Granville recorded a 4-0 win in the 15s, their first for the season. and then the 16s battled out a tough 1-1 draw.

Macquarie Sports really struggled against league leaders Hills United at Northlakes Oval, earning only a single point. Hills zapped them in the 13s and 14s, winning the matches 3-0 and 4-0 respectively and then they continued the trend with a 2-0 win in the 15s. Macquarie did really well to force a 0-0 draw against second placed Hills in the 16s tie.

MATCHES OF THE ROUND
SUPER YOUTH LEAGUE

The 13s clash between Sutherland and Olympic at Bates Drive looks very interesting. Sutherland have been doing well, winning four of their five matches to date. They score a few goals and their defence is fairly tight. Olympic are in the same situation so the result should be very close indeed.

For the 14s the top of the table clash between Blacktown City and Southern Districts catches the eye. The comparative results for the teams are similar. Blacktown have yet to lose and they produce their best results at home. They have only conceded one goal so far. District have a solid away record and could present the Demons with real problems.

Marconi host Parramatta Eagles in the 15s and this could be a match worth watching. Marconi will want to win this one to move into the top four. they have a good record at home and this will be to their advantage. Parramatta will also be desperate for a result, especially following their loss last week.

The same two clubs should be involved in a very interesting match in the 16s. Marconi cannot advance their position on the table but they can consolidate a place in the top four with a win. Parramatta on the other hand will want to keep hold of the top place.

DIVISION ONE YOUTH LEAGUE

Southern Branch will host AC United in the 13s in what looks like being a match of the highest quality. Southern have an excellent record and they are particularly impressive at home. AC have a very good away record and have been performing very well until last week. They will be keen to make amends for that hiccup.

The clash between St George and Penrith Panthers in the 14s is intriguing because there is a lot at stake. Saints have been very effective in their home matches to date while the Panthers have had good success away from home. Both sides will be eager to advance their standings on the table.

In the 15s the Bankstown Association v Bonnyrigg White Eagles clash at Neville Reserve is the pick of the round. Bankstown have been doing well but they have not yet won at home so they will be anxious to change that this time. Bonnyrigg need a good result this week so they can claim a place at the top end of the table.

St George V Penrith Panthers is the selection for the 16s. Saints' performances since their first round loss have been very good indeed, especially at home. The Panthers have been doing a lot of things right so far to earn second place on the table and they will be very keen to maintain that.

DIVISION TWO YOUTH LEAGUE

Although it appears to be a mid-table match, the game between Mt Druitt Town Rangers and Granville Association in the 13s has a good deal of interest. Both can dramatically improve their current standings by winning this one and that is equally important to both of them.

In the 14s the clash between Mt Pritchard and Ku-Ring-Gai attracts attention. This competition is still very tight and the winner will be very well placed afterward. Both sides like scoring goals and they both have reasonably steady defences so the final score could be very close.

Parramatta City play against Stanmore Hawks in the 15s Match of the Round. Parramatta can move closer to the top with a win here but Stanmore will be keen to stay in touch with Hills United.

Hills and Hajduk Wanderers feature in the 16s match. Both are well placed so far and they will undoubtedly be eager to continue their good form. Hills have slight advantage because they are playing at home.
